

# 2012 KMHS Soccer Booster Club Membership & Player Fee

## Why Become a KMHS Soccer Booster?

The Kick-Off banquet is over, and it won't be long before the Awards Banquet at the end of the season. But today, it's match day. Before leaving home, you check [KMHSsoccer.org](http://KMHSsoccer.org) to confirm the game start time and see who the Mustangs play. As you enter the stadium, you purchase an annual program -- complete with team photos, player bios, sponsor ads, player ads, schedule info, and other information. It's a great keep-sake of the season. The KMHS team is warming up, looking sharp in fresh warm-ups and uniforms, having been well trained on our practice fields. The game field is match-quality, the perimeter lined with sponsor banners. Over the PA system, the announcer introduces some of the season's sponsors and invites you to partake in a hot dog, Coke, and other goodies available at the concession stand. The teams and ball runners are introduced and the match is underway. Someone is taking pictures of the match and surroundings for later posting to the website. Spectators are treated to a fun halftime activity. All in all, it's a great way to spend a spring evening.

Does this sound like a great atmosphere, a great experience for our players; a great time for us as parents and spectators? It can't and won't happen unless you become an active KMHS Soccer Booster.

## What to Do

First, we need you to meet your per-player expense for the season -- \$400 per player for 2012. The first \$150 is the player registration fee, required at the start of tryouts on **January 23**. The balance, your \$250 Booster Club dues, is payable by the kick-off banquet **February 3**. Of course, you can raise the entire amount by actively participating in the fundraising opportunities available through the Booster Club. Check [www.KMHSsoccer.org](http://www.KMHSsoccer.org) for details. Note: parents of multiple players will receive a \$100 Booster Club dues discount for each additional player represented (\$400 for first player, \$300 for each additional player). As important, we need your active participation on one or more of the many Booster Teams (committees) formed to create that great atmosphere and rewarding experience for players, families, and spectators. Ask any Booster Club officer where help is needed, and, please, volunteer.
